

## FREQUENTLY ASKED QUESTIONS

---

### **How much does it cost?**

There is no cost to you.

### **Who conducts the weekend?**

Each CRHP “team” is made up of a parish priest and men or women who have attended previous weekends. Each new team that is formed continues the renewal process by presenting the weekend to the next group of invitees.

### **What happens AFTER the weekend?**

The weekend can be taken as a closed-end renewal experience with no further commitments. However, many participants choose to become members of the next team which has the opportunity to put on the next weekend.

### **Will I have to talk in front of people?**

No one is required to get up and speak. You may have the opportunity to get up and share your experiences, but you are not required to.

### **What about Witnessing?**

The team members, not the participants, give talks. You may choose to share (or not) your thoughts in the small group with other participants.

### **Why does Assumption need CRHP?**

Assumption Parish is calling all of its parishioners to renewal. CRHP is one way to develop a deeper relationship with the Lord and with other parishioners. Assumption, now more than ever, needs its parishioners to grow in their love for the Lord and their love for each other. “Building” our spirituality is the most important way that we can develop our parish into a vibrant and loving faith community.

# Christ Renews His Parish

## *A Spiritual Journey*

### What is CRHP?

Christ Renews His Parish (CRHP, pronounced Chirp) is a program designed to bring parish members together and emphasizes continued growth in Christian life in our daily contacts with others. It also offers an excellent opportunity to meet others in the parish community.

### Who Can Attend CRHP?

The renewal weekend is open to all Assumption parishioners who are at least 21 years of age. You do not have to be a spiritual person to attend the weekend. In fact, many attend because they are not as spiritual as they would like or because they feel something is missing in their life. Others attend because they are searching for peace and comfort and still others attend to deepen their already strong faith. This weekend is for you if you are:

- A new parishioner looking to connect with others or an established parishioner wanting to gain a deeper sense of purpose and fellowship within our parish community
- Someone who wants to better understand themselves and their relationship with Christ
- Seeking spiritual renewal
- Looking to make a change in your life
- Just looking for a good meal and time away from the daily rat race

### What Happens on the Weekend?

During the weekend, new friendships are formed with other members of Assumption. This is accomplished through small group participation. Reflections are shared by members of the presenting team on subjects such as: Father's Loving Care, Scripture, Eucharist, Christian Community and Christian Awareness.

After each talk, you will be free to share your thoughts and experiences on your Christian journey and listen to others experiences as well. To encourage sharing, all discussions are held in confidence.

Other group activities include shared prayer, Mass (which will be celebrated twice during the weekend) and an opportunity for reconciliation for anyone who desires this sacrament. The weekend itself is an opportunity for you to draw into a deeper and more meaningful relationship with Christ.

### When & Where is the Weekend Held?

The weekend begins at 8:00 a.m. on Saturday and ends approximately at 4:00 p.m. on Sunday. The weekend is held in Kohls Hall and The Family Life Center. Meals and beds will be provided.
