TO OUR FAITH FILLED COMMUNITY...

Bible Studies

Bible studies are now in full swing on Monday nights. Our ladies kick us off last Monday and this Monday, 9/15, is for the guys.

We meet in the youth room from 6:45pm until 8pm and all high school teens are welcome.

The best way to strengthen your relationship with the Lord is to spend time with Him and read His love letter to us all.

Meals!

We need some help with our youth night meals.

There are many ways to help ...

- Make a donation for us to use towards meals when there isn't someone to cook for us.
- You can sign up to bring a meal! Use the link on our webpage. Numbers provided there as well.
- You can always join forces with other families to work together to fill our stomachs.
- Service hours given to put towards school requirements!

Summer Event Highlight **Steubenville**

Franciscan University and Life Teen sponsor multiple weekend conferences around the country each summer. The conferences provide high school students with an opportunity to encounter the Lord with up to 2500 of their peers. We attend the Steubenville Florida conference, typically held at one of the Rosen Shingle resorts in Orlando. Life Teen brings in nationally recognized speakers and musicians to provide excellent learning opportunities, many moments of reflection, incredible liturgies, and opportunities to experience the Sacraments. We travel to and from on a charter bus and the conference is held Friday through Sunday.

We had an amazing Kick-off!

What a night! The Band Stella kicked us off in style and while we had some trepidatious young men refuse to give in to the music, they watched with smiles while the rest of us danced and praised!

We had a couple people show up in shirts celebrating newly canonized St. Carlo Acutis and many of us were quoting St. Pier Frassati throughout the evening. Adoration was beautiful, as always!

We hope each youth night is as exciting as our kick-off and this ministry just continues to grow! Invite your friends, spread the news that all are welcome, and let's keep the excitement rolling through the school year.

Summer 2026 Event registration will open on Monday, Sept. 15!

Watch the webpage - a link will show up on Monday that allows you to sign up for all summer events.

Please note -- **NO SPOTS WILL BE HELD WITHOUT A DEPOSIT.**
