Canonization ✧ ✧ Kick-off

This Sunday! Join us *after the 5pm Mass, in Jordan Hall*, for the Assumption Youth Ministry Kick-off and Canonization Party!

*All youth in 6th through 12th grades are invited. **BRING \$2 to help with dinner.***

We will have everyone sign in, we'll eat some pizza, we will dance with The Band Stella, then we'll break into Edge & Life Teen to get to know our peers a little, and we will end our evening in the church for Adoration.

We will finish by 8:15pm.

Meal Help

Our ministry is growing and it is challenging to plan a meal for almost 100 people. So, we are asking our youth to contribute a couple dollars to put towards our meals. We also have the sign up link on our webpage. Families can earn service hours with the school by providing (or helping provide) meals for AYM. Any type of help is appreciated!

Summer Event Highlight

Plunge

There will NEVER be enough space or time to fully share the beauty of our high school mission trip. Youth must have completed their freshman year of high school to attend. We live together in community. We serve together in community. We wake each day immersing ourselves in the Word & end each day faith sharing while immersed in the Word. We spend our days serving the community of Interlachen with home repairs, yard work and so much more. We live at Camp Swan Lake Retreat Center, but our home base is St. John the Evangelist church in Interlachen. When we ask our teens which summer event is their fave - it is ALWAYS Plunge! #LifeChanging #LifeGiving #Humbling

We have mentioned the Bayou Bash before and we will mention it again, but it's important that you understand why ... our summer events are not easy to afford and the transportation to and from the events is rising exponentially. The Bayou Bash is an opportunity for our teens to volunteer and earn portions of the funds raised to put towards their summer event travel. Every ticket they sell, sponsorship they obtain, and hour they work goes towards lowering their overall total for the summer.

Last year, just our transportation fees were \$15,000!

Also - we are looking for a coordinator to help us with planning our event this year - if you know some who knows how to plan a great party - send them our way!
