The pic is dark, but the Spirit is bright

We had a busy and beautiful youth night on Sunday. Life Teen chatted about where God is in our suffering. Edge had such a good time, they forgot to take pics! Our groups keeps growing each week.

Many thanks to the St. Gianna women's circle for providing our meal.

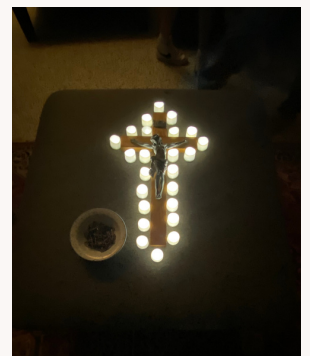

Thanks Chloe!

Senior witness:

Every now and then a topic comes up in our programming that the Spirit encourages us to invite our teens to give the teaching and witness. Last Sunday, Chloe stepped up to the challenge and led us beautifully through her journey, reminding us of the Saint's journeys as well, and encouraging us to find God in the darkest moments of suffering. She did well as a vessel of our Lord. And on the same Sunday that St. Paul encouraged all of us (2nd reading) to go out and share our testimony! Yes girl!
