Final Call for Autumn Adventure!

It's been in every newsletter of the year so far. It has been on the website since early August. The time has come to commit or miss out. The Fall Retreat is October 25-26. Because we are hosting off campus we have to finalize our count by October 10. SO ... *registration ends at 12n on October 10.* We have amazing college missionaries coming to speak and lead. An old core team member, who we all miss, is joining us once again. You won't want to miss this. Bring a friend!
